Boat Permit Conditions

I understand the permit(s) will allow the boat(s) to be left on the beach. I also understand that the **boat is not to be left on the dunes** and that it is unlawful for any person to remove or otherwise destroy sea oats or any other vegetative matter growing out of the dunes.

Pursuant of Sec. 8-1-511. **Abandoned vehicles, boats and/or other property.**

It shall be unlawful for any person to abandon and motor vehicle, watercraft and/or other property on the beach. Such property will be considered abandoned if the property has remained in the same place for an excess of sixty (60) days. Upon determination that the property is abandoned, a violation notice will be placed on the property and the owner, if determinable, will be sent a written notice by certified mail allowing thirty (30) days to remove such property, after which time the town may remove the property to a designated impoundment yard at the expense of the owner (if determinable).

I have read and understand the conditions under which this annual Boat Permit is issued.
